

Adding Activities to Pure

Template: Academic activities external/internal

Activities covered:

- Academic collaboration
- Visiting an external academic institution,
- Periodic visiting.

Information required:

Visiting other institution information

Visited organisation *

Add external organisation...

Click on 'Add external organisation' to search for the Academic institution.

If the institution is not listed when searching, use the 'create new' button to add the required details. When adding new details, enter the relevant country information and the full name of the organisation with any abbreviations in brackets.

Visiting other institution information

Visited organisation *

 **University of East Anglia**
External organisation: Academic

Change external organisation...

The name of the organisation will be used as the title of the activity in Pure and on the research portal

Activity

In the Activity box, provide an overview of your role, e.g. teaching exchange, research collaboration, visiting lecturer, etc.

Description

In the Description box, give details of the activity undertaken, e.g. "Collaborating with ... from the University of ... - related to ... grant project".

Period *

Specific date

Period of time

Enter the date of the activity. For ongoing activities select the period of time option and enter the relevant first and last dates.

Degree of recognition

No value ▼

Where relevant, select the most appropriate degree of recognition for the activity.

Persons/organisations

Persons

Managing organisational unit *

University of Aberdeen

Organisational unit: Discipline

Change organisational unit...

Your name and affiliation will be pre-populated, click the edit button next to your name to select the most appropriate role for the activity, e.g. Visiting lecturer, visiting professor, visiting researcher, collaborator. If your activity involved other people, either internal or external, their details can be added by clicking 'Add person', searching or adding their details, and selecting their role from the drop-down menu.

The managing organisational unit will be assigned as your department/ institute. If you are associated with multiple areas, you can click on the change organisation unit to select a different unit.

Documents and links

Documents

Add document...

Links

Add link...

Where relevant, you can attach documents to the record. Pure supports multiple document and media formats including PDF, WMV, PNG.

You can also add links to any relevant websites. e.g. organisation or event websites.

Keywords

KEYWORDS

ASJC SCOPUS SUBJECT AREAS

There are no associations

Add ASJC Scopus subject areas...

Keywords and Subject areas are not mandatory; however, you may decide to add them to increase discoverability of the record

Student theses

Relations to other content in Pure can be added as necessary. This will help illustrate the inter-connectedness of the various aspects of your research. Click the icon under the relevant content type to search for and connect items to the activity record.

Visibility

Public - No restriction 

If you would like the information to be available on the research portal, make sure you select 'Public- no restriction option' in the visibility section, otherwise mark the record as 'Backend - restricted to Pure users', or 'Confidential - restricted to associated users and editors'.

Status: For approval 

Save

Finally, remember to save your entry. Once saved, your entry will appear in your Pure profile as "For approval". Once your entry has been checked and approved, any public records will appear in the research portal.
