This event is part of a week of events to mark the Holocaust Memorial Day (HMD)

Every year on the week including the 27th January, Aberdeen City Council, with their partners mark HMD.

HMD provides an opportunity for everyone to learn lessons from the Holocaust, Nazi persecution and subsequent genocides and apply them to the present day to create a safer, better future.

This year's theme of Communities Together: Build a Bridge, encourages us to guard against exclusion by making connections within our communities and reminds us that the strongest communities are those that respect difference.
