

Curriculum Vitae

Personal details

Name: Michela **TINELLI**

Departments:

Health Economics Research Unit
Institute of Applied Health Sciences
University of Aberdeen
Foresterhill
Aberdeen AB25 2ZD

Centre for Academic Primary Care
University of Aberdeen
Foresterhill Health Centre
Westburn Road
Aberdeen AB25 2AY

E-mail: m.tinelli@abdn.ac.uk

Higher education

- 2004-2008 PhD in Health Economics and Primary Care. University of Aberdeen, UK
- 2002-03 MSc in Health Services and Public Health Research (Health Economics)
University of Aberdeen, UK
- 2001-02 MSc in Pharmacoeconomics. University of Milan, Italy
- 1999 Degree in Pharmaceutical Chemistry (Pharm D) cum laude [the highest
grade]. University of Milan, Italy

Employment History

- 2009 - Visiting research fellow (part-time, 50%FTE). LSE Health, London School
of Economics and Political Sciences, UK
- 2008 - ESRC/MRC interdisciplinary Research fellow (part-time, 50%FTE). Joint
position in Health Economics Research Unit and Centre for Academic
Primary Care, University of Aberdeen, UK
- 2008-2009 Research fellow – health economist (part-time, 40%FTE). National
Collaborating Centre for Children’s and Women’s Health (NCC-CWH),
Royal College of Obstetricians and Gynaecologists, London, UK
- 2008 Research fellow (part-time, 20-40%FTE). Department of General Practice &
Primary Care, University of Aberdeen, UK

- 2004-2007 Full-time ESRC/MRC and college funded PhD student, Health Economics Research Unit and Department of General Practice & Primary Care, University of Aberdeen, UK
- 2005-2007 Research Assistant (part-time, 20%FTE). Department of General Practice & Primary Care, University of Aberdeen, UK
- 2006 Research student (3-month part-time, 20%FTE). The Macaulay Institute, Socio-economic Research programme, Aberdeen, UK
- 2005 Community pharmacist (3-month part-time, 20%FTE). Charles Michie, Aberdeen, UK
- 2003-2005 Tutor for undergraduate and postgraduate students (part-time). Any subject UK
- 2003-2004 Research Assistant (full time). Department of General Practice & Primary Care, University of Aberdeen, UK
- 2003 Research student (3-month part-time, 20%FTE). Health Economics Research Unit, University of Aberdeen, UK
- 2003 Pre-registration pharmacist (3-month part-time, 20%FTE). NHS Grampian, Aberdeen, UK (Aberdeen Royal Infirmary, Department of Pharmacy, Drug Information Office, and Woodend Hospital, Department of Pharmacy)
- 1999-2003 Research fellow (full time). Centre of Pharmacoeconomics, Department of Pharmacological Sciences, University of Milan, Italy

Grants and Awards

1. ESRC/MRC interdisciplinary post doctoral fellowship (part-time programme 50% FTE, 4 years; 2008)
2. ESRC bursary to attend 'Enterprisers course', Durham University, UK (1 week, 2007)
3. ESRC bursary to attend 'ESSEX Summer School in Social Science Data Analysis and Collection', University of Essex, UK (2 weeks, 2006)
4. Marie Curie European Union studentship to attend 'Marie Curie Training Programme in Applied Health Economics', University of York, UK (1 week, 2006)
5. ESRC bursary to attend 'Discrete Choice Modelling course', Centre for Microdata Methods and Practice, UCL London, UK (2006)
6. Faculty Staff Development Grant, University of Aberdeen, UK (£250, 2005)
7. PhD studentship of the College of Life Science and Medicine (3-year full-time programme), University of Aberdeen, UK (2004)
8. ESRC/MRC interdisciplinary PhD studentship (3-year full-time programme, tuition fees), UK (2004)

9. Bursary of the Mediterranean School of Epidemiology and Statistical Methods in Biomedical Research, Harvard University and National Research Council [Consiglio Nazionale delle Ricerche], Italy (2001)
10. Fellowships of the Consorzio Milano Ricerche, Milan, Italy (25/99, 47/00, 29/01, 19/02)
11. Award of the Rotary International, Italy (Rotary Youth Leadership Awards, 1999)
12. Scholarship of the Advanced Institute of Communication [Istituto Superiore della Comunicazione], Milan, Italy to attend the postgraduate course 'Marketing, Communication and Public Relation' (1999-2000)
13. Undergraduate Scholarship of the University of Milan, Italy (1998)
14. Award of the International Association of Lion Club, Italy (1988)
15. Award of the Emiliana Bank [Banca Emiliana], Fidenza (PR), Italy (1985)

Grant submitted (outcome pending)

National Institute for Health Research – Health Services Research programme. Evaluating non-medical prescribing efficiency in primary care: an analysis of the prescribing quality and costs of non-medical and medical prescribing. Applicants: Sue Latter, Alison Blenkinsopp, Stephen Chapman, Michela Tinelli, Paul Little, Anthony Avery, Sarah Smith

Membership of Professional Bodies and/ or Professional Qualifications

International Health Economics Association (iHEA) (from 2005)

Health Economists' Study Group (HESG) (from 2005)

Royal Pharmaceutical Society of Great Britain (MRPharmS) (from 2005)

Pharmaceutical Society of Parma, Italy [Ordine dei Farmacisti di Parma] (2003-04)

Italian group of pharmacoeconomics studies [Gruppo Italiano per gli Studi di Farmacoeconomia (GISF)] (2000/02)

Teaching

2004/06 Lecturer for postgraduate course in Research Methods for Health Care Professionals within the MSc/Pg Dip/Pg Cert in Nursing/Midwifery/Health Care, University of Aberdeen, UK

2005/06 Tutor for undergraduate students in biology, statistics and Italian, Aberdeen, UK

- 2004/05 Facilitator for people registered for the workshop entitled 'Using Discrete Choice Experiments in Health Economics: Theoretical and Practical Issues', University of Aberdeen, UK
- 2002/4 Tutor for undergraduate/postgraduate students in mathematics, statistics, and Italian, Aberdeen, UK
- 2002 Tutor for post-graduate courses in Pharmacoeconomics to health sciences students, University of Milan, Italy
- 1999/02 Lecturer for graduate and postgraduate courses in Pharmacoeconomics to health sciences students, University of Milan, Italy

Peer reviewer activities

Peer reviewer for the following funding body: ESRC

Peer reviewer for the following peer-reviewed journals: International Journal of Pharmacy Practice, Pharmacy Practice, SelfCare

Other activities

- 2011 - Collaborator on Research for Patient Benefit (RfPB) funded project evaluating a community pharmacy based cardiovascular risk assessment service (Heart MOT service), Keele and York Universities
- 2011 – Collaborator on Evaluating Care Across Borders project (ECAB; work package 5), EU funded project investigating which quality of care criteria are used by patients to make choices on provision of health care, London School of Economics and Political Sciences
- 2010 - Associate editor SelfCare
- 2009-2010 Collaborator on Department of Health funded project evaluating Nurse and Pharmacist Independent Prescribing, Southampton and Keele Universities
- 2003 - 2010 Collaborator on SINS (Surgery vs Imiquimod for Nodular and Superficial Basal Cell Carcinoma) trial looking at patient preferences for alternative interventions when treating nodular and superficial basal cell carcinoma, University of Nottingham

Publications and Presentations

PUBLISHED PAPERS (PEER-REVIEWED JOURNALS)

1. **Tinelli M**, Blenkinsopp A, Bond C, on the behalf of the Community Pharmacy Medicines Management Evaluation Team. Development, validation and application of a patient satisfaction scale for a community pharmacy medicines management service. *International Journal of Pharmacy Practice* (forthcoming)
2. Bardisa-Ezcurra L, Ullman R, Gordon J; Guideline Development Group (including **Tinelli M**). Diagnosis and management of idiopathic childhood constipation: summary of NICE guidance. *British Medical Journal* **2010**; Jun 1: 340.
3. Seymour J, McNamee P, Scott A, **Tinelli M**. Shedding new light onto the ceiling and floor? A quantile regression approach to compare EQ-5D and SF-6D responses. *Health Economics* **2010**; 19:683-96.
4. Bissell P, Sadler S, Anderson C, Avery AJ on behalf of the Community Pharmacy Medicines Management Project Evaluation Team (including Jaffray M, Bond CM, Watson MC, Hannaford P, **Tinelli M**, Scott A, Lee A, Blenkinsopp A, Krksa J). General Practitioners' views about a pharmacy led medicines management service for patients with coronary heart disease. *Pharmacy World & Science* (**2010**).
5. **Tinelli M**, Ryan M, Bond C. Patients' preferences for the increasing role of the pharmacist in the management of drug therapy. *International Journal of Pharmacy Practice* **2009**; 17: 275-282.
6. Bissell P, Blenkinsopp A, Short D, Mason L on behalf of the Community Pharmacy Medicines Management Evaluation Team (including Jaffray M, Bond CM, Watson MC, Hannaford P, **Tinelli M**, Scott A, Lee A, Anderson C, Avery A, Krksa J). Patients' views and experiences of a medicines management service. *Health and Social Care in the Community* **2008**; 16: 363-369.
7. **Tinelli M**, Bond C, Blenkinsopp A, Jaffray M, Watson M, Hannaford P, on the behalf of the Community Pharmacy Medicines Management Evaluation Team (including Jaffray M, Bond CM, Watson MC, Hannaford P, Tinelli M, Scott A, Lee A, Blenkinsopp A, Anderson C, Avery A, Bissell P, Krksa J). Patients' experiences with a community pharmacy medications management service: focus on attitudes, expectations and satisfaction. *Annals of Pharmacotherapy* **2007**; 41: 1962 – 1970.
8. Jaffray M, Krksa J, Lee AJ, Bond C on behalf of the Community Pharmacy Medicines Management Team (Watson MC, Hannaford P, **Tinelli M**, Scott A, Lee A, Blenkinsopp A, Anderson C, Avery A, Bissell P). The MEDMAN project: Evaluation of the medicines management training for community pharmacists. *Pharmacy Education* **2007**; 7: 207-214.
9. Krksa J, Avery A J on behalf of the Community Pharmacy Medicines Management Team (Bond C, Hannaford P, Watson MC, Jaffray M, **Tinelli M**, Scott A, Lee A, Blenkinsopp A, Anderson C, Bissell P). Evaluation of medication reviews conducted by community pharmacists: a quantitative analysis of documented issues and recommendations. *British Journal of Clinical Pharmacology* **2007**; 65: 386-396.

10. Matheson C, Bond C, **Tinelli M**. Community Pharmacy Services for Drug Misusers in Scotland: Measuring National Service Delivery and the Development of Professional Attitudes over a Decade. *Journal of Public Health* **2007**; 29: 350 – 357.
11. Scott T, **Tinelli M**, Bond C on behalf of the Community Pharmacy Medicines Management Project Evaluation Team. The costs of a community pharmacist-led medicines management service for patients with coronary heart disease (CHD) in England. *Pharmacoeconomics* **2007**; 25: 397-411.
12. The Community Pharmacy Medicines Management Project Evaluation Team (including Jaffray M, Bond CM, Watson MC, Hannaford P, **Tinelli M**, Scott A, Lee A, Blenkinsopp A, Anderson C, Avery A, Bissell P, Krksa J). Community Pharmacy-led Medicines Management: A randomised controlled trial in patients with CHD. *Family Practice* **2007**; 24:189-200.
13. **Tinelli M**, Mantovani LG. Costs and disabilities in the elderly. *Geriatric and Medical Intelligence* 2002; 2:33-39.

PUBLISHED PAPERS (NOT PEER-REVIEWED JOURNALS)

1. Pharmacoeconomics survey: Farmacoeconomia Notizie [*News in pharmacoeconomics*]. *Farmacoeconomia News*. (from **2000 to 2002**).
2. **Tinelli M**. Neuropatie diabetiche ed L-carnitina: nuove prospettive di trattamento. [*Diabetic neuropathy and L-Carnitine: new treatments*] *Farmacoeconomia News* **2002**; (3).
3. **Tinelli M**. Costi dell'aterosclerosi. [*Costs of atherosclerosis*] *Farmacoeconomia News* **2002**; 2:27-51.
4. **Tinelli M**. Obesità e diabete: l'epidemia del nuovo millennio. [*Obesity and diabetes: epidemics of the new millennium*] *Farmacoeconomia News* **2002**; 1: 10-13.
5. **Tinelli M**, Scalone L. Menopausa e terapia ormonale sostitutiva: qualità di vita e farmacoeconomia. [*Menopause and hormone replacement therapy: quality of life and pharmacoeconomics*] *Farmacoeconomia News* **2001**; 3:15-20.
6. Mantovani LG, **Tinelli M**, Belisari A. Progetto pilota per la rilevazione delle prescrizioni farmaceutiche in Farmacia. [*Piloting study to detect pharmaceutical prescriptions from pharmacy premise*] *Cronache Farmaceutiche* **2001**; 4:200-204.
7. **Tinelli M**. Malattia da reflusso gastroesofageo (MRGE): costi e qualità di vita. [*Gastroesophageal reflux disease (GERD): costs and quality of life*] *Farmacoeconomia News* **2000**; 4: 3-8.
8. **Tinelli M**. Euro-Qol. *Farmacoeconomia News* **2000**; 2:3-7.

PUBLISHED ABSTRACTS (PEER-REVIEWED JOURNALS)

1. **Tinelli M**, Ryan M, Bond C. Discrete choice experiments (DCEs) to inform pharmacy policy: going beyond Quality Adjusted Life Years (QALYs). *Supplement to the International Journal of Pharmacy Practice* **2010**; 18 (S1): 1.

2. **Tinelli M**, Bond C, Bryce A, Grant E and Healey S. Provision of palliative care supplies and advice in primary care. Supplement to the International Journal of Pharmacy Practice **2008**; 16: A43.
3. **Tinelli M**, Ryan M, Bond C. Economic evaluation advancement in pharmacy: Discrete choice experiments (DCEs). Supplement to the International Journal of Pharmacy Practice **2007**; 15: A12.
4. **Tinelli M**, Ryan M, Bond C. A Patient-Centred Approach to Policy Development: A Pharmacy-Led Medicines Management Service. Supplement to the International Journal of Pharmacy Practice **2006**; 14: B71-72.
5. **Tinelli M**, Ryan M, Bond C. Discrete choice experiments to value increased roles for the pharmacist in the management of drug therapy. Supplement to the International Journal of Pharmacy Practice **2006**; 14: A12-13.
6. Matheson C, Bond C, **Tinelli M**. Community pharmacists and drug misusers: National trends in attitudes and current practice. Supplement to the International Journal of Pharmacy Practice **2006**; 14:B23-24.
7. **Tinelli M**, Watson M, Hannaford P, Jaffray M, Bond C, on the behalf of Community Pharmacy Medicines Management Evaluation Team. Development and application of a tool for the assessment of appropriateness of treatment for patients with CHD. Supplement to the International Journal of Pharmacy Practice **2005**; 13; R41.
8. **Tinelli M**, Ryan M, Bond C. Patient preferences for increasing the role of the pharmacist in the management of drug therapy. Supplement to the International Journal of Pharmacy Practice **2004**; 12: R93.
9. **Tinelli M**, Bond C, Watson M, Dinnie L, Jaffray M on the behalf of Community Pharmacy medicines Management Evaluation Team. Community pharmacists' attitudes and knowledge of medicines management. Supplement to the International Journal of Pharmacy Practice **2004**; 12: R9.
10. **Tinelli M**, Bond C, Watson M, Dinnie L, Jaffray M on the behalf of Community Pharmacy medicines Management Evaluation Team. Practice staff's opinion and attitudes of medicines management service. Supplement to the International Journal of Pharmacy Practice **2004**; 12: R 67.
11. **Tinelli M**, Bond C, Watson M, Dinnie L, Jaffray M on the behalf of Community Pharmacy medicines Management Evaluation Team. General practitioners' opinion of a medicines management service provided by community pharmacist. Supplement to the International Journal of Pharmacy Practice **2004**; 12: R96.
12. Gringeri A, Mantovani LG, Scalone L, Belisari A, **Tinelli M**. Assessment of quality of life in adult hemophiliacs with inhibitors. Haematologica **2002**; 87 (5): 2.
13. Gringeri A, Mantovani LG, Scalone L, Rivi M, Belisari A, **Tinelli M**, Mannucci PM. Quality of life in haemophiliacs with inhibitors and its correlation with orthopaedic status: the Cocis study. Supplement to the Journal of Thrombosis and Haemostasis, July **2001**.
14. **Tinelli M**, Scalone L, Belisari A, Mantovani LG. Trandolapril therapy in patients with left ventricular dysfunction after myocardial infarction: a cost-effectiveness analysis. Pharmacological Research **2001**; 43 (Suppl A): 174.

15. Belisari A, **Tinelli M**, Scalone L, Mantovani LG. The cost of osteoarthritis and its association with the severity of the disease. *Pharmacological Research* **2001**; 43 (Suppl A):165.

SUBMITTED PAPERS

1. Watson MC, Flett GM, Scotland G, **Tinelli M**, Anthony GB, on behalf of the NHS Grampian Chlamydia Study Working Group. An evaluation of the effectiveness, acceptability and economic implications of a Chlamydia self-test service in health and non-health settings. *Sexually Transmitted Infections*.
2. **Tinelli M**, Ryan M, Bond C, Scott A. Valuing benefits in pharmacy: EQ-5D or SF-6D? *Annals of Pharmacotherapy*.
3. Ryan M, **Tinelli M**, Odejar M. Comparing alternative approaches to designing Discrete Choice Experiments. *Journal of Health Economics*.
4. Ryan M, **Tinelli M**, Odejar M. Deriving welfare estimates in Discrete Choice Experiments with multiple choice options. *Journal of Health Economics*.

CONFERENCE PAPERS

1. **Tinelli M**, Ryan M. Alternative approaches to deriving welfare estimates in Discrete Choice Experiments. 69th Health Economists' Study Group, York, July **2006**.
2. **Tinelli M**, Ryan M, Odejar M. Comparing alternative approaches to designing Discrete Choice Experiments. 3rd Workshop: Advancing the Methodology of Discrete Choice Experiments in Health Economics, University of Las Palmas, Gran Canaria Spain, July **2005**.
3. **Tinelli M**, Ryan M, Odejar M. Deriving welfare estimates in Discrete Choice Experiments with multiple choice options. 3rd Workshop: Advancing the Methodology of Discrete Choice Experiments in Health Economics, University of Las Palmas, Gran Canaria Spain, July **2005**.
4. **Tinelli M**, Ryan M, Odejar M. Deriving welfare estimates in Discrete Choice Experiments with multiple choice options. 67th Health Economists' Study Group meeting, University of New Castle, New Castle, July **2005**.

REPORTS and GUIDELINES

1. Latter S, Blankinsopp A, Smith A, Chapman S, **Tinelli M**, Gerard K, Little P, Celino N, Gramby T, Nicholls P, Dorer G. Evaluation of nurse and pharmacist independent prescribing. Report **2010** (funding body: Department of Health)
2. NICE guideline on constipation in children and young people: diagnosis and management of idiopathic constipation in primary and secondary care. Guideline **2010** (**Tinelli M** as health economist within the guideline development group from 2008 to 2009).
3. **Tinelli M**, Scotland G, Watson M. An economic evaluation of the NHS Grampian Opportunistic Chlamydia Screening Study. Report **2009** (funding body: Grampian Health Board)

4. Bond C, **Tinelli M**. Provision of palliative care supplies and advice in primary care. A Needs Assessment for Grampian Health Board. Report **2007** (funding body: Grampian Health Board).
5. Matheson C, Bond C, **Tinelli M**. Community Pharmacists and Drug Misusers: A National Scottish Survey of Attitudes and Practice. Report **2006** (funding body: Chief Scientist Office).
6. Jaffray M, Bond C, The Community Pharmacy Medicines Management team (including: **Tinelli M**). The Community Pharmacy Medicines Management Project. The University of Aberdeen, Keele University, The University of Nottingham, The College of Pharmacy Practice. Report **2005** (Funding bodies: collaboration, led by the Pharmaceutical Services Negotiating Committee (including the National Pharmaceutical Association, the Royal Pharmaceutical Society of Great Britain, the Company Chemist Association, and the Co-operative Pharmacy Technical Panel).

CONFERENCES (ORAL PRESENTATIONS)

1. **Tinelli M**, Ryan M, Bond C. Discrete choice experiments (DCEs) to inform pharmacy policy: going beyond Quality Adjusted Life Years (QALYs). Third Conjoint Analysis in Health Conference, Newport Beach, California, USA, October **2010**.
2. **Tinelli M**, Ryan M, Bond C. Discrete choice experiments (DCEs) to inform pharmacy policy: going beyond Quality Adjusted Life Years (QALYs). Health Services Research & Pharmacy Practice Conference, Manchester, UK, April **2010**.
3. Tinelli M, Bond C, Bryce A, Grant E and Healey S. Provision of palliative care supplies and advice in primary care. Health Services Research & Pharmacy Practice Conference, Liverpool, UK, April **2008**.
4. Hull S, Badrick E, Shajahan S, **Tinelli M**, Boomla K, Robson J. Implementing health equity in chronic disease using practice data. The Society for Academic Primary Care (SAPC), Galway, July **2008**.
5. **Tinelli M**, Ryan M, Odejar M. Alternative approaches to deriving welfare estimates in Discrete Choice Experiments. International Health Economics Association Conference, Copenhagen, July **2007**.
6. **Tinelli M**, Ryan M, Bond C. Economic evaluation advancement in pharmacy: Discrete choice experiments (DCEs). Health Services Research & Pharmacy Practice Conference, Keele, UK, April **2007**.
7. **Tinelli M**, Ryan M, Bond C. Promoting patient centred decision making in pharmacy policy development. PhD symposium, Institute of Applied Health Sciences, University of Aberdeen, December **2006**.
8. Matheson C, Bond C, **Tinelli M**. Community pharmacists and drug misusers: National trends in attitudes and current practice (1995-2000-2006). British Pharmaceutical Conference, Manchester, September **2006**.
9. **Tinelli M**, Ryan M. Alternative approaches to deriving welfare estimates in Discrete Choice Experiments. Health Economists' Study Group meeting, York, July **2006** (discussion paper).

10. **Tinelli M**, Ryan M, Bond C. Discrete choice experiments to value increased roles for the pharmacist in the management of drug therapy. International Pharmacy Practice Workshop, Oxford, UK, July **2006**.
11. **Tinelli M**, Ryan M, Bond C. Patient preferences for increasing the role of the pharmacist in the management of drug therapy. Health Services Research & Pharmacy Practice Conference, Bath, UK, April **2006**.
12. Development and application of a tool for the assessment of appropriateness of treatment for patients with CHD. **Tinelli M**, Watson M, Hannaford P, Jaffray M, Bond C, on the behalf of Community Pharmacy Medicines Management Evaluation Team. ADEG General Practice Conference, Carnoustie, UK, January **2006**.
13. **Tinelli M**, Ryan M, Odejar M. Deriving welfare estimates in Discrete Choice Experiments with multiple choice options. International Health Economics Association Conference, Pompeu Fabra University Barcelona, Spain, July **2005**.
14. **Tinelli M**, Ryan M, Odejar M. Comparing alternative approaches to designing Discrete Choice Experiments. 3rd Workshop: Advancing the Methodology of Discrete Choice Experiments in Health Economics, University of Las Palmas, Gran Canaria Spain, July **2005**.
15. **Tinelli M**, Ryan M, Odejar M. Deriving welfare estimates in Discrete Choice Experiments with multiple choice options. 3rd Workshop: Advancing the Methodology of Discrete Choice Experiments in Health Economics, University of Las Palmas, Gran Canaria Spain, July **2005**.
16. **Tinelli M**, Ryan M, Odejar M. Deriving welfare estimates in Discrete Choice Experiments with multiple choice options. 67th Health Economists' Study Group meeting, University of New Castle, New Castle, July **2005** (discussion paper).
17. **Tinelli M**, Watson MC, Bond CM, Jaffray M on behalf of the Community Pharmacy Medicines Management Evaluation Team. General Practitioners' opinions of and attitudes towards a community pharmacist-led medicines management service for patients with coronary heart disease (CHD). The Society for Academic Primary Care (SAPC) AGM, Newcastle **2005**.
18. **Tinelli, M.**, Jaffray, M., Bond, C., Watson, M. on the behalf of Community Pharmacy Medicines Management Evaluation Team. What patients want from a pharmacy-led medicines management service. Health Services Research & Pharmacy Practice Conference, Reading, UK, March **2005**.
19. **Tinelli, M.**, Jaffray, M., Bond, C., Watson, M. on the behalf of Community Pharmacy Medicines Management Evaluation Team. Practice staff's views on a community pharmacy-led medicines management service. Health Services Research & Pharmacy Practice Conference, Reading, UK, March **2005**.
20. Blenkinsopp A, on the behalf of Community Pharmacy Medicines Management Project Evaluation Team (including **Tinelli, M**).Evaluating patient feedback on a new medicines management service provided by community pharmacists. Health Services Research and Pharmacy Practice Conference, Reading, March **2005**.

21. Bissell P, on the behalf of Community Pharmacy Medicines Management Project Evaluation Team (including **Tinelli, M**). Community pharmacists' perceptions and experiences of interprofessional collaboration with general practitioners. Health Services Research and Pharmacy Practice Conference, Reading, March **2005**.
22. Sadler S, on the behalf of Community Pharmacy Medicines Management Project Evaluation Team (including **Tinelli M**). General Practitioners' perceptions of interprofessional collaboration with community pharmacists. Health Services Research and Pharmacy Practice Conference, Reading, March **2005**.
23. **Tinelli, M.**, Watson, M., Hannaford, P., Jaffray, M., Bond, C. on the behalf of Community Pharmacy medicines Management Evaluation Team. Development and application of a tool for the assessment of appropriateness of treatment for patients with CHD. Scottish Cardiovascular Forum, Aberdeen, UK, February **2005**.
24. Bond CM, Hannaford P, Jaffray MA, Watson M, **Tinelli M** on the behalf of Community Pharmacy medicines Management Evaluation Team. Can Community Pharmacists improve outcomes for patients with CHD? ADEG General Practice Conference, Dundee, UK, January **2005**.
25. **Tinelli M**, Bond C, Watson M, Dinnie L, Jaffray M on the behalf of Community Pharmacy medicines Management Evaluation Team. Community pharmacists' attitudes and knowledge of medicines management. British Pharmaceutical Conference, Manchester, UK, September **2004**.
26. Evaluation of the Community Pharmacy Medicines Management Project. Bond CM, Blenkinsopp A, Bissell P on behalf of Community Pharmacy Medicines Management Project Evaluation Team (including **Tinelli M**). British Pharmaceutical Conference, Manchester, September **2004**.

CONFERENCES (POSTER PRESENTATIONS)

1. **Tinelli M**, Ryan M, Bond C. Going beyond QALYs in randomised controlled trials: an application to pharmacy NIHR/MRC Methodology Workshop, London February **2011**.
