**MyCurriculum Troubleshooting: Quick Guide**  
*Version 2.1, Jan 2021*

**Overview**

Use this guide to help with any issues you encounter when accessing MyCurriculum and completing your online course selection. The guide covers how to deal with login problems, and what to do when you see an error message or information message.

If, after consulting this guide, you are still having problems with your online course selection visit the MyCurriculum Support System.

Course selection information messages

As you complete your online course selection you may notice information messages at the top of the course selection page, for example:

**Message**

**Action required**

Strikethrough course (like this) accompanied by “You do not hold the pre-requisites...” or “You do not meet the entry requirements...”

Click the information symbol next to the course title to read more about the requirements for the course.

Strikethrough course (like this) accompanied by “The timetable for this course clashes with course(s) you have already selected”

Go to the MyCurriculum Support System for help. If there is an alternative course available for you to select, choose this course, otherwise use the MyCurriculum Support System to send us a message.

“You have not selected enough Credits from this group”

Select at least one more course before continuing to the next step.

“Selecting this course will exceed the maximum allowed for this group”

Deselect at least one course before continuing to the next step.

Confirm Selection/Confirm Overall Selection button(s) inactive

Select at least one more course before continuing to the next step.

“Selecting this course will exceed the maximum...” or “You have not selected enough...”

Try to find an alternative selection of courses using the Selected Credits running total at the top left of the screen to work out where you need to choose more or fewer courses.

“The Supplementary Regulations for Arts and Science degrees limit the number of credit points from Science and Arts courses respectively which students are permitted to include in their degree”

If you are BSc student, you have exceeded the maximum number of credits that you are permitted to take in Arts subjects.

If you are an MA student, you have exceeded the maximum number of credits that you are permitted to take in Science subjects.

Try to find an alternative selection of courses. More information about the University’s Supplementary Regulations is available in the MyCurriculum Undergraduate Specific FAQs.

“You cannot select this course as the deadline for making course choices has now passed” or “You cannot deselect this course as the deadline for course withdrawal has now passed”

No action required.

You have reached the time limit for making changes to your course selection.
“To select <course> you must also select the following co-requisite(s):”

You have selected a course with a co-requisite (another course which you must take along with the course you have selected).

Click the information symbol next to the course title for more information.

“You cannot select this course as you have taken it in a previous year”

No action required.

MyCurriculum will not allow you to select a course that you have already passed.

### Capped course information messages

The following messages may appear if you are selecting alternatives to capped courses (courses with a limited number of places).

<table>
<thead>
<tr>
<th>Message</th>
<th>Action required</th>
</tr>
</thead>
<tbody>
<tr>
<td>“Your alternative(s) must carry the same number of credits as your first choice”</td>
<td>Choose your alternatives for each capped course separately. The system will present alternatives from the same sub session as the capped course and meeting the same requirements (for example, if the capped course was from a group of Prescribed courses the alternatives will be from this group too).</td>
</tr>
<tr>
<td>“Your alternative cannot be the same as your first choice”</td>
<td></td>
</tr>
<tr>
<td>“Your alternative cannot carry more credits than your first choice”</td>
<td></td>
</tr>
<tr>
<td>“Your alternative cannot be a course you have already selected”</td>
<td></td>
</tr>
<tr>
<td>“You have already selected this course as an alternative”</td>
<td></td>
</tr>
</tbody>
</table>
