**UNIVERSITY OF
 ABERDEEN**
TAUGHT POSTGRADUATE PROGRAMMES
TUITION FEES 2019/20 ACADEMIC YEAR

NOTES:

The below Tuition Fee rates apply to the 2019/20 academic year, commencing from 1 August 2019 onwards. In line with other universities, tuition fees are subject to annual review and the University reserves the right to routinely increase these from year to year. You should budget for an increase of between 5% and 9% per annum.

Tuition fees given below are at the full-time rate. The part-time fee rate for taught postgraduate programmes is 50% of the relevant full-time fee rate.

Some programmes are charged on a modular basis, i.e. on the basis of the number of credits that a student is taking in an academic year. Students on modular programmes are charged according to the same fee rate, regardless of whether they are full-time or part-time. If the programme is charged on a modular basis, this will be clearly marked below.

Students studying Independent Subject Study programmes (ISS) will pay a proportion of the fee for the relevant programme below, depending on the number of credits. Excluding modular based programmes, the fees quoted below are per 180 credits. Thus a student studying 15 credits through ISS will be charged 1/12 of the fee quoted below. A student studying 30 credits will be charged 1/6, and a student studying 60 credits will be charged 1/3. Students studying courses that are part of programmes charged on a modular basis will pay the fee per credits quoted below.

[All students are encouraged to read the University Refund Policy. The Refund Policy will confirm tuition fee liability in the event that a student withdraws during the academic year.](#)
