

UNDERGRADUATE PROGRAMMES

HOME, EU & RUK STUDENTS

TUITION FEES 2019/20 ACADEMIC YEAR

NOTES:

- Tuition fees given below are listed at the full-time rate. Part-time fee information can be found in the Part-time Student Fees section.
- Students who are classified as RUK, and who are admitted before 1 August 2012, are charged according to the Pre 2012 RUK fee rate. Pre 2012 RUK students who have withdrawn and are re-admitted after an interruption of more than one academic year will be charged at the standard RUK £9250 fee rate.
- A student from England, Wales or Northern Ireland, who transfers to the University after 1 August 2019 with direct entry to level 2 or above, will be charged at the standard RUK £9250 fee rate regardless of the classification made at the previous institution.
- Some programmes are charged on a modular basis, i.e. on the basis of the number of credits that a student is taking in an academic year. Students on modular programmes are charged the same fee rate regardless of whether they are full-time or part-time. If the programme is charged on a modular basis, this will be clearly marked below. In line with other universities, tuition fees are subject to annual review and the University reserves the right to routinely increase these from year to year. Students on modular programmes should budget for an increase of between 5% and 9% per annum.
- tbc showing for modular fee rates means the fee has not yet been confirmed for 2019/20

Existing arrangements will continue for students from the European Union (except England, Wales and Northern Ireland) who enrol in courses during the 2018/19 academic year. This means that if you enter as an EU undergraduate in September 2018, your tuition fees will be the home fees rate (currently £1,820) and you will be eligible for fees support from the Student Awards Agency for Scotland (SAAS) provided you meet the current criteria set out by the Fee Regulations (Scotland) and SAAS.

[All students are encouraged to read the University Refund Policy. The Refund Policy will confirm tuition fee liability in the event a student withdraws during the academic year. Students must be aware that they may become personally liable for fee.](#)
