

## POSTGRADUATE RESEARCH PROGRAMMES

### TUITION FEES 2016/17 ACADEMIC YEAR

#### NOTES:

- Tuition fees given below are at the full-time rate. The part-time fee rate for research postgraduate programmes is 50% of the relevant full-time fee rate for Home/EU/RUK student; for Overseas students the part-time fee rate for research postgraduate programmes is 37.5% of the relevant full-time Overseas rate.
- From 2014/15, the University introduced a fixed fee structure for undergraduate and postgraduate research students who are classed as Overseas for fee purposes. This means that research students classed as Overseas for fee purposes who commence study in 2016/17, i.e. from 1 August 2016, will continue to be charged the 2016/17 fee rate for the remainder of their programme. Overseas students who started before 1 August 2016 will continue to pay the appropriate fee rate for the academic year in which they first registered. Overseas students who started before 1 August 2014 will continue to pay the appropriate 2014/15 fee.
- These rates apply in 2016/17 (from 1 August 2016 onwards). In line with other universities, tuition fees are subject to annual review and the University reserves the right to increase these from year to year. Students who are not on a fixed fee rate programme should budget for an increase of between 5% and 9% per annum.
- From 2017/18, the research student fee rate for UK/EU/RUK students will be linked to the Research Council fee rate. For 2016/17, the Research Council fee rate is £4,121. 2017/18 is yet to be confirmed.
