

POSTGRADUATE RESEARCH PROGRAMMES

TUITION FEES 2015/16 ACADEMIC YEAR

Tuition fees given below are at the full-time rate. The part-time fee rate for research postgraduate programmes is 50% of the relevant full-time fee rate for Home/EU/RUK student; for Overseas students the part-time fee rate for research postgraduate programmes is 37.5% of the relevant full-time Overseas rate.

Our new fixed fee structure for international undergraduate and postgraduate research students means that new international postgraduate research students commencing study from 2015/16 will be charged the same fees over their programme of study in each year of study. International students admitted in 2014/15 or earlier will be charged at the 2014/15 rate for the duration of their studies

* An asterisk denotes that the fee rate for the programme has not yet been confirmed

NOTES:

These rates apply in 2015/16 (from 1 August 2015 onwards). In line with other universities, tuition fees are subject to annual review and the University reserves the right to increase these from year to year. You should budget for an increase of between 5% and 9% per annum.
