

TAUGHT POSTGRADUATE PROGRAMMES

NOTES:

- These Tuition Fee rates apply to the 2015/16 academic year, commencing from 1 August 2015 onwards. In line with other universities, tuition fees are subject to annual review and the University reserves the right to routinely increase these from year to year. You should budget for an increase of between 5% and 9% per annum.
 - Tuition fees given below are at the full-time rate. The part-time fee rate for taught postgraduate programmes is 50% of the relevant full-time fee rate for Home/EU/RUK student; for Overseas students the part-time fee rate for taught postgraduate programmes is 37.5% of the relevant full-time Overseas rate.
 - Some programmes are charged on a modular basis, i.e. on the basis of the number of credits that a student is taking in an academic year. Students on modular programmes are charged according to the same fee rate, regardless of whether they are full-time or part-time. If the programme is charged on a modular basis, this will be clearly marked below.
- * An asterisk denotes that the fee rate for the programme has not yet been confirmed. TBA denotes 'To Be Arranged'.
