

TUITION FEES POLICY FOR UNDERGRADUATE STUDENTS FOR THE 2019/20 ACADEMIC YEAR

GENERAL INFORMATION

1. All students taking University courses are required annually to pay the tuition fee for their programme of study and, where applicable, any re-assessment fees.
2. Details of the tuition fees approved for each programme by the University Court for the Academic Year 2019/20 can be found [here](#)
3. Tuition fees for the year become legally due at the time of Registration.
4. Students registered for less than a full session pay an appropriate part-year fee.
5. All fee rates include a composition element which entitles every student to the use of University facilities such as the Student's Union Building and the Aberdeen Sports Village.
6. In line with other universities, tuition fees are subject to annual review and the University reserves the right to routinely increase these from year to year. Students who are not on fixed fee programmes (see below*) should budget for an increase of between 5% and 9% per annum.

* Undergraduate students who are classed as Overseas for fee purposes, and who started after 1 August 2014, will have their annual tuition fee fixed at the rate for the academic year in which they started their studies.

Undergraduate students who are classed as Overseas for fee purposes who started before 1 August 2014 will have their annual tuition fee fixed at the 2014/15 fee rate.

Note, this does not apply to undergraduate students who are classed as Home/EU or RUK for fee purposes, or Overseas students on programmes that are charged on a modular basis. Such students will pay the appropriate fee rate for the academic year in which they are studying.
