

UNDERGRADUATE PROGRAMMES

NOTES:

- Tuition fees given below are at the full-time rate. For part-time fee information please consult the tuition fees policy.
- Students admitted before 1 August 2012 are charged according to the Continuing Student fee rate. However, students who have withdrawn and are re-admitted after an interruption of more than one academic year are regarded as a New Student and will be charged at the appropriate New Student fee rate.
- A student from England, Wales or Northern Ireland, who transfers to the University after 1 August 2012, is regarded as a New Student and will be charged at the appropriate RUK fee rate.
- Some programmes are charged on a modular basis, i.e. on the basis of the number of credits that a student is taking in an academic year. Students on modular programmes are charged according to the same fee rate, regardless of whether they are full-time or part-time. If the programme is charged on a modular basis, this will be clearly marked below.

[All students are encouraged to read the University Refund Policy. Students must be aware that they may become personally liable for fee payment if they withdraw at any point in the academic year regardless of whether they are SAAS or SLC funded](#)

*** An asterisk denotes that the fee rate for the programme has not yet been confirmed**
