

## UNDERGRADUATE PROGRAMMES

### INTERNATIONAL STUDENTS

### TUITION FEES 2015/16 ACADEMIC YEAR

#### NOTES:

- Tuition fees given below are listed at the full-time rate. Part-time fee information can be found in the Part-time Student Fees section.
- From 2014/15 the University has introduced fixed fees for full-time international students. Students admitted in 2014/15 or earlier will pay the 2014/15 tuition fee rate for the remainder of their studies. Students admitted thereafter will pay the appropriate fee rate for the academic year in which they commence their studies. However, students who have withdrawn and are re-admitted after an interruption of more than one academic year will be charged at the advertised tuition fee rate set for the year of re-admission. The fixed fee arrangement does not apply to students studying Medicine or specific modular programmes.
- International students (excluding Medicine) admitted in 2014/15 and subsequently will be eligible for an International Undergraduate Scholarship. Students must have completed 3 continuous years of study before being eligible for the scholarship in the 4th year. Further [www.abdn.ac.uk/study/international/international-undergraduate-scholarship-972.php](http://www.abdn.ac.uk/study/international/international-undergraduate-scholarship-972.php)
- Some programmes are charged on a modular basis, i.e. on the basis of the number of credits that a student is taking in an academic year. Students on modular programmes are charged according to the same fee rate, regardless of whether they are full-time or part-time. If the programme is charged on a modular basis, this will be clearly marked below.

- In line with other universities, tuition fees are subject to annual review and the University reserves the right to routinely increase these from year to year. International students admitted in 2013/14 and earlier and students undertaking modular courses should budget for an increase of between 5% and 9% per annum.

[All students are encouraged to read the University Refund Policy. Students must be aware that they may become personally liable for fee payment if they withdraw at any point in the academic year regardless of whether they are SAAS or SLC funded](#)
