The Chinese University of Hong Kong (CUHK) is a comprehensive research university with a global vision. It was founded with a mission to combine tradition with modernity and to bring together China and the West. CUHK’s firmly rooted Chinese culture, multiculturalism and its unique college system sets itself apart from other universities in Hong Kong and in the region.

CUHK has always been at the forefront of teaching and research, nurturing the next generation of leaders in all fields and advancing the frontiers of knowledge and technology. The galaxy of distinguished scholars and researchers at CUHK include a Nobel Laureate, a Fields medallist, a Turing Award winner, and countless academics with international recognition.

Located in Shatin, a suburban area of Hong Kong, the CUHK campus overlooks the scenic Tolo Harbour and is nestled in greenery. Over the years, it has evolved into the largest, greenest and most sustainably designed campus in the city. A wide range of academic, residential, sports and leisure facilities provide an all-round campus experience for anyone studying at CUHK.

Asia’s World City, City of Life
Hong Kong is not just an ordinary metropolitan city. It is the hub of Asia. A city that never sleeps with non-stop intensity. A perfect blend of fascinating contrasts where East meets West, where busy city pace meets natural countryside, and where endless skyscrapers meet traditional lifestyle. Here, you can find a variety of rich and diverse experiences packed in an easy and fast to get around city.

Generally speaking, living in Hong Kong can be expensive, however, living at CUHK is extremely affordable as on-campus hostels and meals at student canteens are heavily subsidised. The table below shows the approximate living costs at CUHK for an undergraduate in one term.
