525 YEARS
1495 – 2020

All information correct as of January 2021, please refer to the webpages for the most up to date

<p>Annual Tuition Fees for September 2022 entry</p>	<p>The tuition fees for undergraduate students domiciled in England, Wales and Northern Ireland are £9,250 per year for those starting in September 2022.</p>
<p>Government Support (figures given for 2021/2022)</p>	<p>England (Student Finance England) www.gov.uk/student-finance You can apply for a Tuition Fee Loan and Maintenance Loans for living costs while at university. Your tuition fee loan is paid directly to the university. The amount of maintenance loan you are eligible for is dependent on household income and personal circumstances. Please see the Student Finance webpage for full details.</p> <p>You begin repaying your loans once your income after graduating has reached the repayment threshold, currently £26,575 a year. You pay back 9% of your income that is over the threshold. If your income falls below the threshold, repayments will stop until your income pass the threshold once again. If you have not repaid the loan in 30 years, the loan is cancelled.</p> <p>Wales (Student Finance Wales) www.studentfinancewales.co.uk You can apply for a Tuition Fee Loan, Welsh Learning Grant and Maintenance Loan for assistance with costs while at university. Your tuition fee loan is paid directly to the university. The amount of Learning Grant and maintenance loan you are eligible for is dependent on household income and personal circumstances. Please see the Student Finance webpage for full details.</p> <p>You begin repaying your loans once your income after graduating has reached the repayment threshold, currently £26,575 a year. You pay back 9% of your income that is over the threshold. If your income falls below the threshold, repayments will stop until your income pass the threshold once again. If you have not repaid the loan in 30 years, the loan is cancelled.</p> <p>Northern Ireland (Student Finance NI) www.studentfinancenl.co.uk You can apply for a Tuition Fee Loan on its own or alongside any other available finance, including a Maintenance Loan, as part of your student finance application each year.</p> <p>You can apply for a Maintenance <u>Loan</u> (based on your household income) of up to £6,780, which will need to be repaid. You can apply for a Maintenance <u>Grant</u> or partial grant depending on your household income. This can be as much as £3,475. You begin to repay your loans when your income is above £19,390 per year.</p>
<p>University of Aberdeen Scholarships and Funding for 2022/2023 entry https://www.abdn.ac.uk/study/undergraduate/finance.php</p>	<p>The University of Aberdeen is committed to attracting the very best students, regardless of financial circumstances, which is why we offer a range of scholarships. These cover a wide range of criteria, including support for those who may otherwise struggle to meet the costs of study, and academic merit in their A Level results. Students meeting the criteria of more than one scholarship are entitled to receive multiple awards.</p>
