

## GCSE/A Level Entry Requirements

This document is designed to help understand the entry requirements for the University of Aberdeen for those applying with GCSEs and A Levels.

Students need to have three A Levels to meet the standard entry requirements for most degrees at the University of Aberdeen<sup>1</sup>. This information sheet outlines which GCSEs and A Level subjects are specific requirements for different degrees.

For further information and a complete list of degrees with all entry requirements, please see [www.abdn.ac.uk/undergraduate](http://www.abdn.ac.uk/undergraduate).

Please note that the University of Aberdeen will accept **Computing, Geography, Geology, Information Systems, Psychology** and **Technology** as Science subjects for entry purposes.

**N.B. This information only applies to admission for the University of Aberdeen.**

I am considering studying this degree subject University of Aberdeen	The following GCSE will be required as part of the entry qualifications	The following A Level subject(s) will be required as part of the entry qualifications
