## ABOUT KU

As a major teaching and research university, KU is one of 36 U.S. public institutions in the prestigious Association of American Universities (AAU). Our tuition is lower than tuition at many AAU universities, allowing students like you more affordable access to our nationally ranked programs.

Additionally, our Applied English Center courses cost about one-third less than undergraduate degree courses.

As an institutional member of the Council on Undergraduate Research, KU encourages undergraduate students in all disciplines to pursue research alongside faculty. [ugresearch.ku.edu](http://ugresearch.ku.edu)

KU's student-to-faculty ratio is 17:1

Notable alumni include CEOs of international corporations, Pulitzer and Nobel Prize winners, renowned scientists, and astronauts.
