

Helping S2 and S3 pupils make informed subject choices

Students need to have four Highers by the end of S5¹ to meet the standard entry requirements for most degrees at the University of Aberdeen.² This information sheet outlines which SQA National 5 and Higher subjects are specific requirements for different degrees. For further information and a complete list of degrees with all entry requirements, please see www.abdn.ac.uk/undergraduate.

A full list of SQA Higher subjects considered Humanities and Sciences is listed overleaf.

Please note: this information applies to admission for the University of Aberdeen only.

I am considering studying this degree subject University of Aberdeen	The following National 5 subject(s) will be required as part of the entry qualifications	The following Higher subject(s) will be required as part of the entry qualifications
MA Arts & Social Sciences degrees (<i>all except those specified below</i>)	English (min C grade)	No specific requirements (<i>except as listed below</i>)
MA Mathematics	English (min C grade)	Maths
