Students who fall below these levels will be enrolled at the UMaine Intensive English Institute for ESL courses or a combination of ESL and academic courses based on the student’s proficiency level.

Students who do not submit an exam score at the time of application will be required to take an English language placement test upon arrival at UMaine.

### ESL Information
The Intensive English Institute (IEI) at UMaine can accept students from exchange partners for summer and semester programs. Students who do not meet the TOEFL requirements for a full time academic program can enroll at the IEI.
