In the College of Arts and Sciences, you can pursue a variety of courses within 26 departments, programs and centers focused on the arts, the humanities, mathematical and natural sciences as well as social and behavioral sciences.

The College of Health and Human Services (CHHS) provides superior course work that will put you on the path to a rewarding healthcare or human services career. CHHS’s three professional schools – the School of Health and Applied Human Sciences, the School of Nursing and the School of Social Work – offer transformative learning experiences and opportunities for students to advance their knowledge through research and scholarly activity.

The Cameron School of Business offers students a fundamental business education that bridges theory to practice, providing the technical, analytical and interpersonal skills you’ll need to be an effective leader in a global business community.

In the Watson College of Education, high-quality courses, outstanding faculty and extensive opportunities for hands-on learning are found through classroom placements and community outreach.

Students can live on or off-campus. Students will receive instructions to apply for on-campus housing after they are admitted. Residence Life provides students with an affordable, convenient and welcoming experience. Our residence halls offer sports courts, game rooms, programming, and tech-savvy study spaces. Students avoid the hassle of multiple bills; living on-campus is an all-inclusive payment (rent, cable, internet, water and phone). No off-campus cable channels, free laundry machines on each floor, vending/ice machines, high-speed internet, and iPrint stations.
