How do I pay for printing?

Staff and Research Postgraduate students

Your department may pay for your printing costs. Please check whether your department requires a limit to be set on your printing.

Undergraduate and Taught Postgraduate students

New students start off with an initial print budget of £1. Each time you use your ID card to print or copy, the cost is deducted automatically from your budget. Provided your budget remains in credit, you can print.

If you run out of credit, you will see the message Credit too low when you log in to an MFD and should top up your budget as described below.
