and Nutrition  
(Medicine and Dentistry only)  
UG Graduate Outcomes (2022-23)

# Most important activity

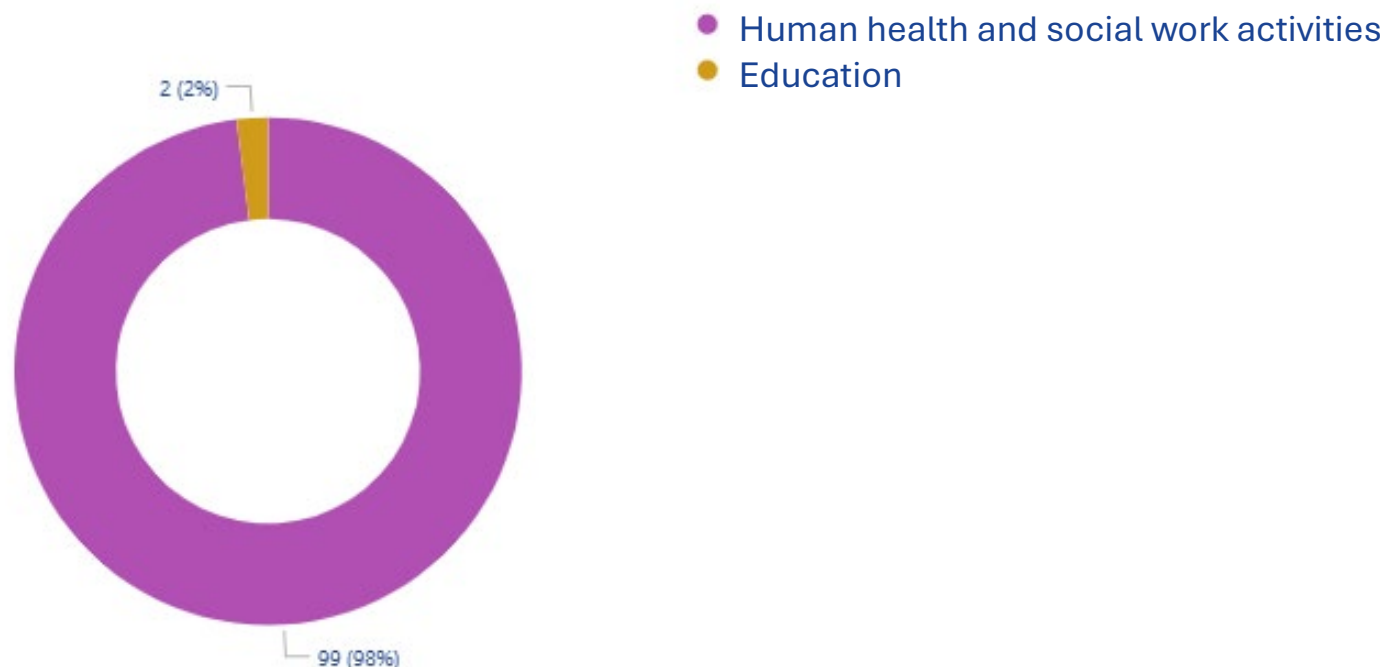

Graduate Outcomes captures the **perspectives and current status of recent graduates**. All graduates who completed a programme/qualification will be asked to take part in the survey **15 months after they finish their studies**. This survey aims to help current and future students gain an insight into career destinations and development.

The data presented here was collected in 2025 **from the 2022/23 undergraduate** cohort of leavers from higher education.
