## School of Biological Sciences UG Graduate Outcomes (2022-23)

# Most important activity

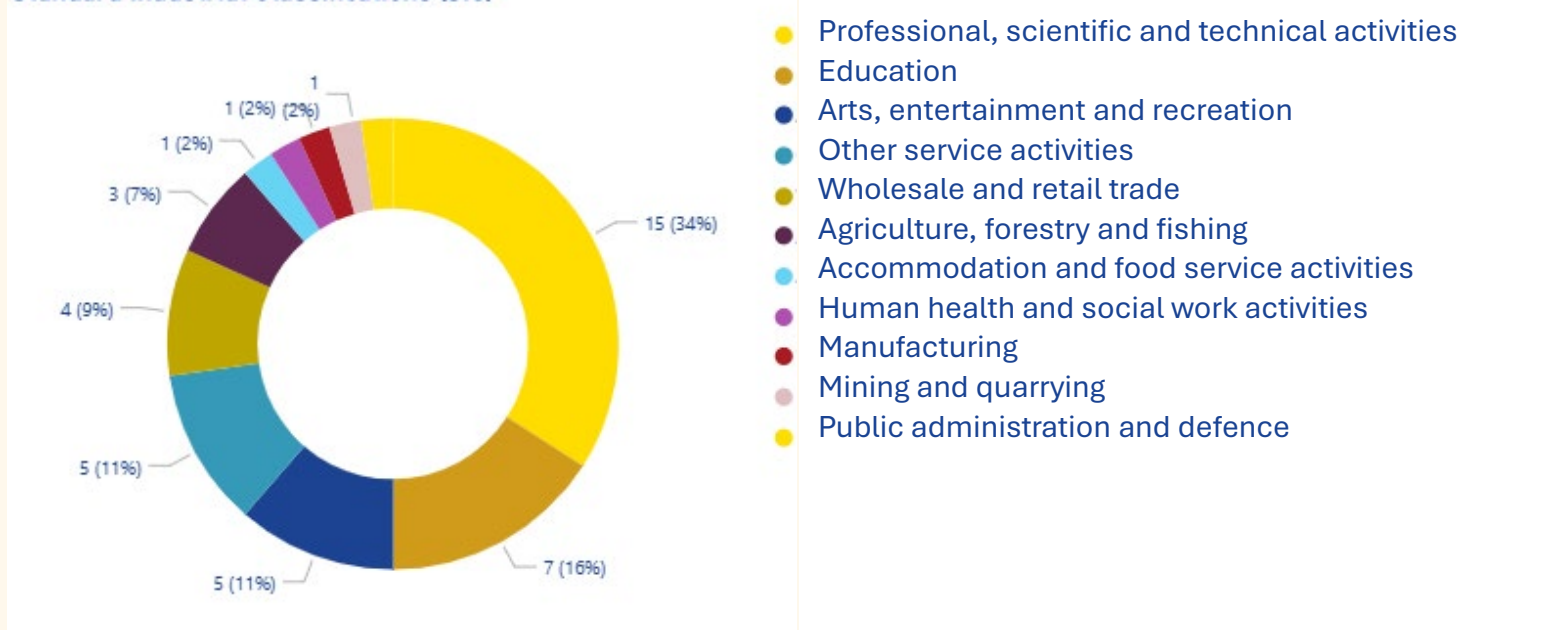

Graduate Outcomes captures the **perspectives and current status of recent graduates**. All graduates who completed a programme/qualification will be asked to take part in the survey **15 months after they finish their studies**. This survey aims to help current and future students gain an insight into career destinations and development.

The data presented here was collected in 2025 from the **2022/23 undergraduate** cohort of leavers from higher education.

# Industry Insights

Standard Industrial Classifications (SIC)

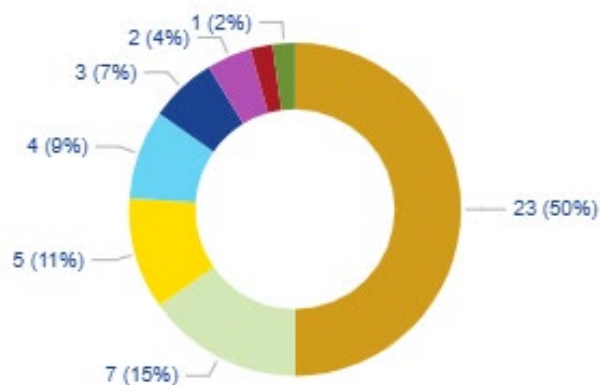

## Organisations UG School of Biological Sciences graduates are working at:

- Scottish Wildlife Trust
- University of Aberdeen
- Atmos Consulting
- Well-Safe Solutions
- James Hutton Institute
- IQVIA
- Pharmaq Analytiq
- Cairngorms National Park Authority
- SLR Consulting
- Scottish Environment Protection Agency
- Geo Mar Centre for Ocean Research
- Trials Force
- The Bluetopia
- New Arc Wildlife Rescue
- Oxford University Museum of Natural History
- SSPCA
- St Abbs Marine Station
- JBA Consulting

# Occupation insights

Standard Occupational Classifications (SOC)

- Professional occupations
- Caring, leisure and other service occupations
- Associate professional occupations
- Elementary occupations
- Sales and customer service occupations
- Administrative and secretarial occupations
- Process, plant and machine operatives
- Skilled trades occupations

## High skilled roles\*:

- Reserve Project Officer
- Ecologist
- Fisheries Research Assistant
- Graduate Environmental Specialist
- Research Assistant Volunteer
- Clinical Research Associate
- Junior PCR Lab Tech
- Trainee Ranger
- Graduate Ecological Consultant
- Laboratory Technician
- Waste Management Disposal
- Shark Research Conservation Intern
- Agricultural Trials Assistant Officer
- Marine Biologist and Diving Assistant
- Wildlife Rehabilitation Assistant
- Secondary School Teacher
- Trainee Agronomist
- Animal Care Assistant
- Assistant Analyst in Hydroecology
- Clinical Trial Assistant
- Invasive Species Officer

\* Includes roles in Major Groups 1-3 of Standard Occupational Classification

## School of Biological Sciences UG Graduate Outcomes (2021-22)

# Most important activity

Graduate Outcomes captures the **perspectives and current status of recent graduates**. All graduates who completed a programme/qualification will be asked to take part in the survey **15 months after they finish their studies**. This survey aims to help current and future students gain an insight into career destinations and development.

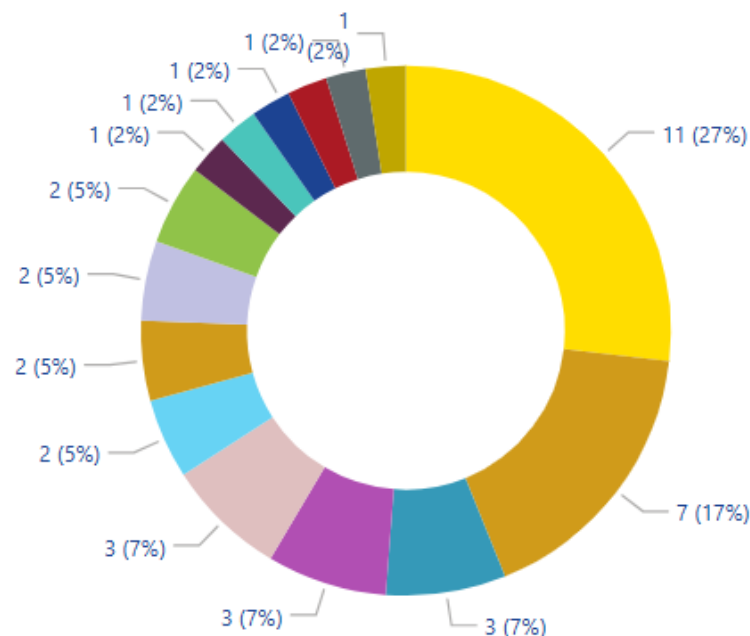

The data presented here was collected in 2024 **from the 2021/22 undergraduate** cohort of leavers from higher education.

# Industry Insights

## Organisations UG School of Biological Sciences graduates are working at:

- Alten
- Environment Agency
- AECOM
- Scottish Government
- ROC Health
- Team Tumbleweed
- National Trust of Scotland
- GGS Scotland
- Atkins
- Fugro
- Johnston Carmichael
- SSE
- Rewilding Europe
- Sogyo Information Engineering
- Glasgow Science Centre
- Roslin Cell Therapies
- Evolution Water
- Cala

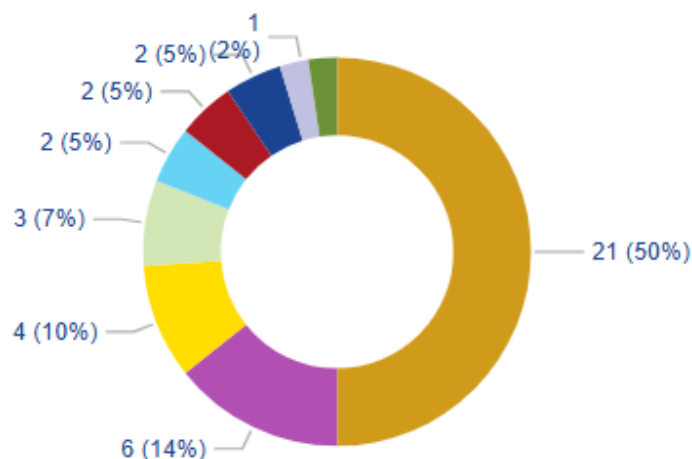

Standard Industrial Classifications (SIC)

- Professional, scientific and technical activities
- Education
- Arts, entertainment and recreation
- Human health and social work activities
